Annual Report

of the

Town of

Canaan, NH

For the year ending December 31, 1992

The 1992 Town Report is dedicated to Louise Cady, who resigned as Librarian of the Canaan Town Library after 30 years of unstinting service to neighbors and friends. She will be missed at the Library, where her achievements will benefit us all for years to come. Happy retirement, Louise!

In Memory of
Glenn P. Tucker
Selectman 1977 - 1981

TOWN WARRANT
STATE OF NEW HAMPSHIRE

Grafton, s.s.

Town of Canaan

To the inhabitants of the Town of Canaan, New Hampshire, who are qualified to vote in Town affairs.

You are hereby notified that the annual town meeting of the Town of Canaan, New Hampshire, will be held at the Canaan Fire Station on Tuesday, March 9, 1993, at 10:00 A. M. to act upon the following articles:

ARTICLE 1: To vote by non partisan ballot for the following Town Officers:

- A Selectman for a term of three years
- A Town Clerk\Tax Collector for a three year term
- A Treasurer for a term of one year
- A General Assist. Officer for a term of one year
- A Road Agent for a term of three years
- One Trustee of the Trust Funds for three years
- Two Planning Board Members, three year terms
- A Planning Board member for a one year term
- Two Library Trustees for terms of three year
- Three Budget Committee Members for three years
- One Budget Committee Member for one year
- Any other Town Officer that is required by law.

ARTICLE 2: (Petition Article) Are you in favor of increasing the Board of Selectmen to Five (5) members.

Polls will be opened for voting by ballot for the Election of Town Officers and Article 2 at the Canaan Fire Station on Tuesday, March 9, 1993, at 10:00 A.M. and will close at 7:00 P.M. unless the Town votes to keep the polls open to a later hour.

At the close of the polls, the meeting will be adjourned until 1:00 P.M. on Saturday, March 13, 1993, at the Canaan Elementary School at which time the following business will be transacted.

To vote on Articles Three through Twenty Two.

- ARTICLE 3: To see if the Town will vote to authorize the Selectmen to apply for, accept, and expend, without further action by Town meeting, money from the State, Federal or other governmental units or a private source which may become available during the ensuing year, in accordance with RSA 31:95-b.
- ARTICLE 4: To see if the Town will vote to authorize the Library Trustees to apply for, accept, and expend, without further action by Town meeting, money from the State, Federal or other governmental units or a private source which may become available during the ensuing year, in accordance with RSA 202-A:4-c.
- ARTICLE 5: To see if the Town of Canaan will authorize the prepayment of property taxes due the town to the Tax Collector as provided in RSA 80:52-A.
- ARTICLE 6: To see if the Town will authorize the Selectmen to dispose of tax deeded property to the highest bidder of a properly advertised public auction, except that the Selectmen may reconvey residential properties still occupied by the previous owner, to that owner, on such terms and conditions as the Selectmen deem just. In no event shall the total considerations be less than the unpaid taxes, plus interest and costs, and any other related expenses that the Town has incurred.
- ARTICLE 7: To see if the Town will vote to authorize the Selectmen to accept gifts in the name of the Town of Canaan. RSA 31:19
- ARTICLE 8: To see if the Town will vote to authorize the Selectmen to borrow such sums of money in anticipation of taxes as may be needed to meet the necessary running expenses of the Town.
- ARTICLE 9: (Petition Article) To see if the Town will vote to direct the Board of Selectmen to use the annual method for the collection of property taxes. Implementation of this article to take place immediately upon passage of this article in 1993. (Budget Committee Does Not Recommend 7-0)

- ARTICLE 10: To see if the Town will vote to raise and appropriate the sum of Two Thousand Dollars (\$2,000.) to purchase a Real Estate Tax Collection Computer Software Package. (Budget Committee Recommends 7-0)
- ARTICLE 11: To see if the Town will vote to raise and appropriate the sum of One Thousand Five Hundred Dollars (\$1,500.) for the purchase of a computer for the office of the Town Clerk\Tax Collector. (Budget Committee Recommends 7-0)
- ARTICLE 12: To see if the Town will vote to raise and appropriate the sum of Nine Hundred Dollars (\$900.) for the purchase of a replacement computer for the Selectmen's office. (Budget Committee Recommends 7-0)
- ARTICLE 13: To see if the Town will vote to raise and appropriate the sum of Six Thousand Eight Hundred Dollars (\$6,800.) for the purchase of Town Clerk\Motor Vehicle Registration Computer Software Package. (Budget Committee Recommends 7-0)
- ARTICLE 14: (Petition Article) To see if the Town will vote to rescind the vote taken at the March 1980 Town Meeting on Article 15 that the Town Selectmen may appoint the Chief of Police as provided by RSA 105:1 and that, beginning with the next Town Meeting hereafter, the position of Chief of Police shall be filled by election of legal voters of Canaan. The term of such position to run three years.
- ARTICLE 15: (Petition Article) To see if the Town will vote to limit the appropriation for the police department to \$130,000., with the difference between this amount and that in the Town budget subtracted from the total Town appropriation. Any transfer of other funds to the Police Department to be made only with the approval of a special Town meeting. (Budget Committee Does Not Recommend 7-0)
- ARTICLE 16: To see if the Town will vote to raise and appropriate the sum of Seventy-Five Thousand Dollars (\$75,000.) for the purchase of a new or used backhoe\loader. (Budget Committee Does Not Recommend 7-0)

Recommend 7-0)

ARTICLE 17: (Petition Article) To see if the Town will vote to raise and appropriate the sum of Two Thousand Dollars (\$2,000.) to be paid to Women's Information Service (WISE) to help defray the costs of their operating budget. (Budget Committee Does Not Recommend 6-1)

ARTICLE 18: To see if the Town will vote to create a Capital Reserve Fund for the purpose of constructing a new Town Highway Garage and to raise and appropriate the sum of Ten Thousand Dollars (\$10,000.); and transfer that sum to said fund. (Budget Committee Recommends 6-0)

ARTICLE 19: To see if the Town will vote to raise and appropriate the sum of \$1,607,984.00 to defray Town charges during the ensuing year; this represents the total amount voted including money raised in preceding special articles. (Budget Committee Recommends 6-0)

ARTICLE 20: Do you favor directing the Selectmen to contact State and Federal officials to encourage them to reactivate the former Northern Railroad that runs from Concord to White River Junction?

ARTICLE 21: To hear the reports of Agents, Auditors, Committees, or any other Officers and to pass any vote relating thereto.

ARTICLE 22: To transact any other business that may be legally brought before this Town Meeting.

A true copy, attest

Milton A. Wilson

Benjamin S. Yamashita

Daniel B. Ware

10% LIMITATION OF APPROPRIATIONS

(SEE RSA 32:8, 8-a, & 32:10-b)

Please disclose the following items (to be excluded from the 10% calculation)

\$ _____ Recommended Amount of Collective Bargaining Cost Items. \$ _____ Amount of Mandatory Water & Waste Treatment Facilities. (RSA 32:10-b).
(RSA 32:8-a).

RSA 273-A:1,IV "'Cost Item' means any benefit acquired through collective bargaining whose implementation requires an appropriation by the legislative body of the public employer with which negotiations are being conducted."

HELP! We ask your assistance in the following: If you have a line item of appropriation which is made up of appropriations from more than one (1) warrant article, please use the space below to identify the make-up of the line total. We hope this will expedite the tax rate process by reducing the number of inquiries from this office.

1996	181,146
1997-2022	<u>1,885,246</u>
	\$2,599,171

REPORT OF TRUSTEE OF TRUST FUNDS AND CEMETERY TRUSTEES

During 1192 the cemetery trust funds reimbursed the town of Canaan \$22,985 to offset the cost of maintenance in eight of the town cemeteries. We are pleased with the continued improvements that are being made in our cemeteries. Taking a drive up West Farms Road and seeing the freshly painted white picket fence makes us appreciate the good service of our agent. As the State laws are currently written, we cannot use perpetual care funds to maintain headstones. Many are falling and if there is not family in the area to care for them, this presents a problem. This is an issue we are trying to find a solution to.

In 1987 we began gathering data to file a cy pres petition with the Grafton Country Superior Court to have some of the excess income in the Canaan Street and Wells cemetery funds available for other uses. The petition was approved in October, 1990. One condition in the petition allowed for the expansion of the Canaan Street and Wells cemeteries. In 1992 we were successful in finding what we felt was the most appropriate piece of land for this expansion. It is a portion of the field on the north side of the Canaan Street Cemetery. We now have to get it fenced and designed before any actual sales can begin, but it will provide some much needed space.

We continue to use the service of Charter Trust Company to handle the cash management for the trust funds. They provide sound investment of your funds while obtaining a better rate of return that we could.

David Heath serves as the cemetery agent and works full time in the cemeteries from April through October, and works for the town road crew during the winter. His employment by the Town has provided continuity over the years and streamlines the cemetery functions. If you have concerns or suggestions, please contact us.

1992 SELECTMEN'S REPORT

"The only limit to our realization of tomorrow will be our doubts of today."

Fanklin D. Roosevelt

As the Board reflects on the events of the past year, we take a moment to remember the commitment to his community of our friend and colleague Barn Jamison. We recall his warm and friendly presence frequently.

Mr. Dan Ware was returned to the Board by the voters of Canaan in March. Dan's previous experience proved helpful as the Board was soon faced with the disruption associated with personnel turnover and heightened citizen concern.

The Board of Selectmen joined the rest of the community in the bittersweet goodbye to Emily Webster, our dedicated Town Clerk and Tax Collector. While we wish her the best in her new home in Arizona, the Town will miss her knowledgeable and committed contributions to it's residents.

In July, the Board appointed Cindy Dorward as Town Clerk and Tax Collector until the March 1993 Town election. The Board applauds her efforts to continue the high standards of the office during the difficult transition period.

Although the Board believed it acted within it's authority and the salary appropriations of Town Meeting, a Special Town Meeting was held at the urging of the Budget Committee. The process by which the Special Town Meeting was called, limited any meeting action to advisory action only. Minutes of the meeting are in the back of this Town Report.

The Board spent much of the last half of the year under the pressures surrounding the well publicized charges against members of the Canaan Police Department. Although all charges were dismissed and all officers have been reinstated, to some the issue remains unresolved. To help address some of these concerns, the Board appointed a Committee to review the Police Department's Rules and Regulations and make recommendations to the Board of Selectmen regarding the adoption of these Regulations by the Board of Selectmen. The Committee recommendations are presently being reviewed by Town Counsel.

The Town was successful in obtaining a second Office of State Planning Housing Rehabilitation Grant in the amount of \$200,000. to assist low income families in housing improvements. The Town has now received \$550,000. from the State for residential home improvements over the last three years.

The Board of Selectmen expresses its appreciation to all Town employees, unpaid committees, and volunteers for their continued efforts in making Canaan an outstanding community.

ADMINISTRATOR'S REPORT

"In 1790, the nation which had fought a revolution against taxation without representation discovered that some of it's citizens weren't much happier about taxation with representation."

Lyndon Johnson

In March 1992 the voters, in a very tight race, elected Dan Ware Selectman. Mr. Ware was Chairman of the Board of Selectmen that selected me as the Town Administrator in April 1988. Welcome back Dan.

In July, I joined with the rest of the Canaan residents and officials in extending a warm farewell to Emily Webster, Canaan's exceptional Town Clerk. Emily was the one constant in the rapidly changing Town Hall environment. We will miss her wise counsel and perspective.

I would like to take this opportunity to thank Cindy Dorward; appointed by the Board of Selectmen in July to replace Emily as Town Clerk and Tax Collector until the March election, for her quick adaption to the rigors of life in the public sector. Her hard work and commitment to the office has minimized the anxiety of change and transition.

The Town had a special Town Meeting in July to address a petitioned article: "We request this special meeting to bring the salaries of all Town employees to three percent as voted at the Annual Town Meeting." After a lengthy debate on the authority of the Board of Selectmen to act in a judicial manner on matters authorized by the Town Meeting; the advisory article passed by a vote of 55 to 48.

A great deal of time and energy was expended during the last half of the year on the resolution of legal charges brought against the Police Department. The unified effort of the Board to focus on the legal process allowed for a rational conclusion of the issue with a minimum of emotionalism.

In addition to it's traditionally heavy schedule of record corrections and updating, the office had the additional burden of implementing the significant changes in the Current Use laws. For all the effort, there appeared to be very little financial benefit to the Town of Canaan. The administrative changes were not completed without some difficulty beyond the control of the office. I would like to recognize the effort of Sandy Burke in the professional manner in which she supervised the conversion effort. I would also like to thank the residents of the Town for their patients and understanding during this bureaucratic hoop jumping process.

I, too, would like to join the Selectmen in applauding the efforts of all the dedicated Town employees, officials, and volunteers whose efforts have indeed improved the quality of life in Canaan.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL STRUCTURE RELATED MATTERS NOTED IN A FINANCIAL STATEMENT AUDIT CONDUCTED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Selectmen
Town of Canaan, New Hampshire

We have audited the general purpose financial statements of the Town of Canaan, New Hampshire for the year ended December 31, 1991, and have issued our report thereon dated April 1, 1992.

We conducted our audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, issued by the Comptroller General of the United States, and the provisions of Office of Management and Budget Circular A-128, "Audits of State and Local Governments." Those standards and OMB Circular A-128 require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement.

In planning and performing our audit of the general purpose financial statements of the Town of Canaan, New Hampshire for the year ended December 31, 1991, we considered its internal control structure in order to determine our auditing procedures for the purpose of expressing our opinion on the general purpose financial statements and not to provide assurance on the internal control structure.

The management of the Town of Canaan, New Hampshire is responsible for establishing and maintaining an internal control structure. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures. The objectives of an internal control structure are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Because of inherent limitations in any internal control structure, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the structure to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the effectiveness of the design and operation of policies and procedures may deteriorate.

For the purpose of this report, we have classified the significant internal control structure policies and procedures in the following categories.

ACCOUNTING APPLICATIONS

- Budget
- Cash receipts and disbursements
- Revenues and receivables
- Expenditures for goods and services and accounts payable
- Payroll and related liabilities
- Debt and debt service expenditures
- Grant and similar programs

For all of the control categories listed above, we obtained an understanding of the design of relevant policies and procedures and whether they have been placed in operation, and we assessed control risk.

Our consideration of internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a reportable condition in which the design or operation of the specific internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the general purpose financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control structure and its operation that we consider to be material weaknesses as defined above.

This report is intended for the information of management and the Board of Selectmen. This restriction is not intended to limit the distribution of this report, which is a matter of public record.

April 1, 1992

1992 CANAAN PLANNING BOARD REPORT

The Canaan Planning Board has been kept quite busy in 1992 with hearings on subdivisions, addressing the need to provide excavation regulations for the community, and our continuing involvement in an application for a major sixty-one lot subdivision for property located on Stevens Road.

During the past year the Planning Board has approved three minor subdivisions for the creation of three or fewer lots, three minor subdivisions for the purpose of annexation, and two major subdivisions (one four-lot and one seven-lot). Many public hearings were also held on the proposed sixty-one lot subdivision at the existing site on Stevens Road. After much deliberation, this proposal was granted preliminary approval, subject to many conditions imposed by the Planning Board. This particular application is still in process, as the proponent is trying to obtain the necessary approvals from the State of New Hampshire, while also addressing the conditions imposed by the Canaan Planning Board.

Since the State of New Hampshire has passed the regulation of all excavation to the municipalities, the Planning Board has been working diligently to compose fair and effective guidelines for the regulation of excavation within the Town of Canaan. An Excavation Committee was formed which sought advice from other municipalities, the Office of State Planning, and the Regional Planning Commission. Much information has been gathered and the Planning Board is currently nearing the completion of proposed Excavation Guidelines. At a date to be announced, a public hearing will be held during which the Planning Board will present the proposed guidelines for public comment.

Prior to the adoption of our own Excavation Guidelines, the Planning Board is empowered to enforce the excavation regulations as found in RSA 155:E, and to this date has acted on two applications brought before the Board.

The Planning Board is an elected body and consists of concerned, fair, and diligent people. Sadly our numbers were reduced by one, but the loss was much greater, with the passing of Ernest H. Griesbach in September. A gentleman of concern and conviction, insight and sensitivity, who in his all too short time on the Planning Board, displayed a caring for the Town of Canaan and all of its inhabitants. He will be truly missed.

The Planning Board holds regular meetings at the Town Hall on the second and fourth Thursdays of each month. Everyone is invited and urged to attend and participate.

Respectfully submitted,
Andrew Musz, Vice Chairman

BUILDING PERMITS

A building permit is required whenever a property owner is building or modifying a structure on their property at a cost of \$500.00 or more. Roger L. Remacle, Sr., a long time resident of Canaan, is the Town's Building Inspector. His years of experience and vast knowledge are invaluable assets for an individual in his position, as well as for the residents of Canaan.

The issuing, recording and filing of the building permits allows the Town to maintain accurate records of new construction and renovations within the community, as well as assuring compliance of both with State building codes. The following is a list of the various types of building permits and the charge for each:

\$25.00	New house construction
\$25.00	Commercial construction
\$15.00	Manufactured housing
\$10.00	Renovations or additions
\$ 2.00	Renewal - permits are valid for 12 months

BUILDING PERMITS ISSUED

	1992	1991	1990
New Homes	12	20	13
Mobile Homes	6	14	17
Renovations	72	73	74
Commercial	1	2	2
Renewals	6	22	16

REPORT OF THE CONSERVATION COMMISSION

During 1992 The Conservation Commission published "The Wetlands of Canaan," a study of the Town's numerous and diverse wetlands. The report provides a general overview, as well as specific information about individual wetlands, their role as a water resource and wildlife habitat. We hope the report will serve as a valuable source of information for Town planners and for citizens interested in our natural resources. Copies are available at the Town Office.

Currently the major focus of the Commission is the "Bird In Hand Farm" and the development of a natural area for education and recreation. The property is being studied and mapped to determine its best possible use while insuring its protection and preservation. Anyone interested in helping with this challenging project is urged to contact a member of the Commission.

The Conservation Commission continues to receive new dredge and fill permit applications, as well as reports from the New Hampshire Wetlands Board on the status of violations. The Wetlands Board appears to be increasingly strict in the enforcement of RSA 483-A; heavy fines are imposed for noncompliance. It is essential that anyone proposing to fill, dredge, or undertake construction in a wetland, or adjacent to open water first file a dredge and fill permit application. Forms are available from the Town Clerk. Anyone with questions about the permit process may contact the Conservation Commission.

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

1992 was below average for wildfires reported in our state. Our largest fire was in May in Rumney where a suspicious origin fire burned approximately 150 acres with a total cost of approximately \$30,000. The NH Division of Forests and Lands assisted many other communities in wildland fire suppression as well.

Our fire lookout towers reported 289 fires, burning a total of 136 acres. Our major causes of fires were fires kindled without a permit, unknown causes and children.

Please help your town and state forest fire officials with fire prevention. New Hampshire State Law (RSA 224:27) requires that, "No person, fire or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material in the open, except when the ground is covered with snow, without fires obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done." Violation of this statute is a misdemeanor, punishable by a fine of up to \$1,000 and/or a year in jail and you are liable for all fire suppression costs.

Local fire departments are responsible for suppressing fires. The small average fire size of .47 acre/fire is a tribute to early detection by the public or our fire tower system and the quick response of our trained local fire departments. Please help your Warden and fire department by requesting and obtaining a fire permit before kindling an open fire.

The NH Division of Forest and Lands assisted 28 towns with a total of \$20,000 in 50/50 cost share grants for fire fighter safety items and wildland suppression equipment in 1992.

If you have any questions regarding NH forest fire laws, please contact your local Forest Fire Warden, State Forest Ranger, or Division of Forest and Lands at 271-2217.

Robert D. Nelson
Chief, Forest Protection

Forest Fire Statistics 1992

October	133	8
November	158	7
December	<u>80</u>	<u>8</u>
Total	2,272	95

In addition to responding to calls, the Fire Department members are involved in various other activities. Last year a grant from the State of New Hampshire and the United States Fire Administration was received to install - at no cost - smoke detectors to 100 Town Residents. These installations are on going and concurrently, a house safety check is done to detect possible fire hazards for the homeowner.

The Fire Department sponsored a Fire Fighter I course, attended by participants from the Towns of Rumney, Grafton, Enfield, and Canaan. Eighteen firefighters graduated and were certified.

In July, the Canaan Fire Department hosted the Ranger Fire School, specialized training on handling propane gas fires, which is offered only every 2 years on the East Coast. This was well attended by various fire departments throughout the states of New Hampshire and Vermont, along with the Department of Transportation Enforcement Group. Training remains a cornerstone of our commitment to the Town.

The culmination of a 3 year project to delineate a Fire Protection Plan for the Town was presented to the Insurance Services Office (ISO). This will result in a reduction of fire insurance costs by about one third.

A Firefighters explorers post was established this past year. This extension of the Boy Scouts offers high school aged students the opportunity to learn fire fighting techniques, procedures, etc. It has been very well received and has an active membership.

Special thanks to all the Fire Department members and their families for the amount of time and effort you've expended. Your dedication is appreciated!

Respectfully submitted,
Tom McDermott, Fire Chief

CANAAN POLICE DEPARTMENT

In 1992 the members of the Canaan Police Department confronted allegations of wrongdoing brought forth by a handful of disgruntled citizens. Because of the stories which they circulated, an intensive investigation into their allegations was conducted by outside law enforcement agencies. The results of this investigation and the professional manner in which Sullivan County Attorney Marc Hathaway handled the collection of evidence, resulted in the findings that there wasn't any credible evidence of criminal wrongdoing by members of the Canaan Police Department.

Obviously there will always be a group of citizens who will not accept the outcome of this investigation and I can only pledge that I, along with other members of the Canaan Police Department will continue to provide quality law enforcement services to our community.

I would like to take this opportunity to thank Officer Glen Taylor who agreed to step in as acting Chief in my absence, along with George Shadowens, Buckey Smith, Ronald Hill, Jason Jones and Matthew Wilson for pulling together through this difficult time and covering the shifts. A special thanks to Julie Nash, my secretary for keeping the paperwork going in the office. Their outstanding dedication is a credit to the community.

After eight years of honorable service to the community, corporal George Shadowens retired from his part time position with the Canaan Police Department. His service and dedication to the community will be missed by all of us. I'm sure the citizens will join us in wishing him the very best in his retirement. Three new part time officers have been appointed to the Police Department: Jason Jones, Wayne Shadowens and Tony Piscopo. Two of these officers have completed the Part Time Officers Training Academy, and the third will soon be attending the academy.

Good news to report! There has been a dramatic decrease in the number of DWI arrests made in Canaan over the past year. I believe that through public education on the dangers of driving while impaired, along with a conscious effort on the part of all citizens, we are seeing this problem come under control. We will need your assistance in this battle to REPORT EVERY DRUNK DRIVER IMMEDIATELY to the nearest law enforcement agency.

In 1991 the United States Department of Justice made a grant process for military surplus equipment available to law enforcement agencies, which could be used in the ongoing war against controlled drugs. In the fall of 1991 I applied for and received authorization to screen for this surplus equipment. I was able to participate in the program and have the opportunity to acquire thousands of dollars worth of equipment including vehicles, computer hardware, typewriters, paper shredder, office furniture and many other items. The only cost to the community for the items received was the officer's time, gasoline and a small administrative fee for the paperwork involved. This program has been continued into 1993 and I look forward to taking full advantage of it.

I would like to express my sincere thanks to those citizens and Selectmen who supported me and my family through these most trying times. Your understanding and belief in what is right has given me renewed belief in the responsibilities that I am charged with. As your Police Chief I will continue to strive to provide professional law enforcement services to all the citizens of our community.

Sincerely,

Jonathan E. Putnam

Chief of Police

ROAD AGENT'S REPORT

Again this past year the Canaan Highway Department has continued to try and upgrade all of the Town's roads. We rebuilt Abbott Road, Kratz Road, Stark Road and graveled Bear Pond Swamp Road, Kilton Road, May Street, Sugar Hill Road, three quarters of Mud Pond Road, Clark Hill, Fox Hill, along with some sections of most other roads in town. We crushed 7,500 yards of one and a half inch gravel and used it all.

Our shimming projects this year were devoted to Stevens Road, Jones Hill Road, Turnpike Road, Gristmill Hill Road and a few loads on Roberts Road. We spent \$30,000 on asphalt for these projects and expect to do the same amount again this year.

We also started two new projects of rebuilding the upper end of Prospect Hill and Clark Hill Roads and all of Clark Pond Road. These are the two worst roads in town and it will take several years to complete. A special thanks to David Scanlan and Clark Hill Forest Products for cutting the trees and providing the gravel fill for these two projects. Their efforts will save the town tens of thousands of dollars.

I would like to extend a special thanks to Jon Putnam and the Canaan Police Department for the assistance they gave me in the acquisition and use of two pick up trucks and trailers. This equipment has been a great benefit to the efficiency of the Highway Department.

Again this year the Board of Selectmen gave the department \$100,000 in Block Grant monies to help hold our taxes down. They also set me up with access to a Federal Surplus Program where we have been buying all of our lubricants, tools and equipment at approximately a 90% savings.

We bought a new roll this spring that was approved at Town Meeting. It has been a help on both our asphalt and dirt roads. It is there when we need it and saves a lot of time and monies in renting one. "Thanks to all of you."

We also purchased a 16'x36' quonset hut from surplus for \$1,800. We set up and used one of the overhead doors from the old fire station. We now have a storage shed to house our new roll, air compressor, tractor, steamer and all of our spare tires and oils under cover and locked.

I would like to thank all the citizens for their help and concern, all of the other Town Departments, and mostly to my crew for a job well done!

Earl Charbono
Road Agent

OLD HOME DAYS 1992 REPORT

The 1992 Old Home Days Weekend was held on July 31st, August 1st and 2nd, and was very successful and gets bigger and better every year. The parade theme was "Holidays." We would like to thank all those who participated and gave generously of their time and support to make this Old Home Days Weekend an enjoyable community event.

Friday, July 31st the events began at 5:00pm with a Chicken Barbecue sponsored by the United Methodist Church, followed by the Canaan USA Speedway Stock Car Races at the Fair Grounds. At the Meeting House on Canaan Street, the Valley Chords (Barbershop Chorus) gave a fine performance. All of the Friday night events were well attended.

Saturday, August 1st the Annual Crafts Fair and Lioness Food Concession were held on the Town Common from 9:00am until 4:00 in the afternoon. The Dollars For Scholars Food Concession was set up at William's Field from 9:00am until 11:00pm. Following the parade, entertainment at William's Field included: The Upper Valley Community Band Concert, Lawnchair Brigade, The Foggy Mountain Cloggers, Cardigan Mt. Riders, 4H Club horse and pony rides, games, and the Dunk Tank sponsored by the Mt. Cardigan Snowmobile Club. There was a photo contest exhibit on the Common and a Horseshoe Tournament at William's Field with doubles and singles competition.

At noon the Assembly Of God Church presented a delicious chicken barbecue. A Soap Box Derby was held at the High Street Speedway. From 1:00 until 4:00pm the Historic District was open, including the Old North Church and the Museum Building. At 1:00 o'clock at William's Field the Barney Family Childrens' Sing-a-long was a special treat, as well as Carrot the Pig and The Little Red Wagon Childrens' Puppet Show. Dan Allen, the Chain Saw Artist delighted everyone with his special talents. Later on his carving of the day was raffled off. At 5:00 o'clock, fire truck rides at the Fire Station preceded the Firemen's Ham and Bean Supper.

In the evening, from 7:00 until 8:00 the Foggy Mountain Cloggers put on a demonstration at William's Field, followed by dancing to live music by "Sound Investments."

Sunday, August 2nd the day began at 7:00am with a delicious Pancake Breakfast at the Senior Center, sponsored by the Senior Center Staff. Breakfast was followed by morning worship services. At 8:00am the Softball Tournament began at William's Field, as well as road race registrations at the park across from the Canaan Street Beach for the race beginning at 9:00am. The Dollars For Scholars Food Concession at William's Field opened at 8:00 o'clock. The Crafts Fair on the Town Common reopened at 9:00, and stayed open until 3:00 o'clock in the afternoon. At 2:00pm the Annual Cow Flop Drop Contest took place at William's Field; random drawing for spaces began at noon. The annual service at the Old North Church was held at 4:00pm, an appropriate close to the weekend's festivities!

Funds for Old Home Days Weekend are raised through donations, the sale of T-shirts and sweatshirts, ads and sponsors for the program, hats, pins, the sale of spaces for the "Cow Flop Drop" event, the sale of coffee mugs, and Town funding. We also sponsor the Crafts Fair in November. We raised \$5,538.00, and expenses were \$6,159.93 - a net loss of \$621.93.

The Old Home Days Committee meets on the first Tuesday of the month from February through December at 7:30pm. The dates for the 1993 Old Home Days Celebration are August 6th, 7th and 8th. The theme will be "Old Wild West".

We are always open to new ideas and suggestions for events. Please contact any one of the committee members if you would like to join us. Many of the regular events will be repeated, and many new events added. Watch the papers for the 1993 Old Home Days Weekend and plan to join in the celebration!

Old Home Days Committee Co-Chairmen,
Georgia Tilton
John Ricard

TRUSTEES OF THE CANAAN TOWN LIBRARY

In 1992 the townspeople continued the trend of a rapidly increasing use of their library. Circulation figures for the last four years demonstrate this growth.

1989 - 22,001 pieces

1990 - 24,427 pieces

1991 - 30,781 pieces

1992 - 35,623 pieces

The most important development in 1992 was Louise Cady's decision to retire after thirty years of service as Librarian. The Trustees hope that everyone will join us in thanking Mrs. Cady for her tremendous contribution to enjoyment and education in our town. Joanne Moulton has very kindly agreed to temporarily accept the post of Librarian, while the Board searches for a permanent successor.

Generous donors continue to supplement the Town Library's budget with gifts that help make continued acquisitions and programs possible. In 1992 the Library received a \$10,000.00 bequest from the late Dr. Israel A. Dinerman, a kindness that did not surprise those who knew him. The Trustees are still considering the best use of this generous gift.

1992 was another successful year for Canaan Town Library programs. The Book Discussion Group Series (in conjunction with the Enfield and Lebanon Libraries), the Children's Summer Reading Program, and the Meeting House Readings continued to serve enthusiastic readers and audiences. Our video and books on tape collections grew in numbers and usage. A survey was distributed to determine future community needs and interests in library services.

The Trustees began 1993 with the priority of hiring a new Librarian. We thank Louise Cady, Joanne Moulton and the Canaan Town Library Staff for your continuing support, effort and goodwill.

Respectfully submitted,
William Craig
Library Trustee

Abatements given

Uncollected as of 31 December 1991	<u>8,871.75</u>
Total	<u>\$39,769.82</u>

MEETING HOUSE COMMITTEE

During 1992 the Meeting House was used a total of sixteen times by various individuals, groups and organizations. Three of its uses were for fund raising.

Restoration work this year saw completion of the tower entry way and the stairs leading to the balcony. Beautiful work, all done by Canaan craftsmen. Also, the north side of the building was given a much needed coat of paint.

We are nearing the end of major restoration work. 1993 will see the painting of interior woodwork, as well as the outside painting of the building's east side.

The Meeting House will be forever grateful to Dr. Israel A. Dinerman for his unrestricted gift of \$5,000.

Treasurer's Balance - January 1, 1992	\$21,547.67
Income	7,192.08
Expenses	<u>19,349.85</u>
Balance on Hand - December 31, 1992	\$ 9,389.90

CANAAN HISTORIC DISTRICT COMMISSION

The Canaan Historic District was first established in 1968. Due to legal requirements it was reestablished by a Town vote in 1986. The Historic District is approximately that area along Canaan Street extending from the Old North Church, south to the Beebe property.

The purpose of the district is to preserve structures and places of historic and architectural value for the public, thus safeguarding the heritage of the municipality. The District not only enhances the beauty of the Town, but also decreases property taxes for the majority of the townspeople by conserving property values in the Historic District.

Meetings of the Historic District Commission are generally held at the Town Hall on the third Thursday of each month at 7:30pm. The public is always welcome to attend. Members of the Commission are chosen by the Town Selectmen, on recommendation of the Commission. Currently an opening exists on the Commission. Any resident who has an interest in historic preservation is encouraged to contact any one of the members.

During the past year twelve regular meetings and two special meetings were held to consider fifteen applications for construction or demolition. Fourteen applications were approved; only one was denied.

The Commission urges residents of the Historic District to advise the Commission of their plans for alterations, new construction, and painting at least one week before the regular monthly meeting.

Leon T. Kremzner, Chairman (1993)

John C. Carter, Secretary (1994)

Mary H. Noordsy (1993)

Sue Pearson (1994)

Nancy Loomis, Alternate (1995)

James Crowell, Planning Board Representative

Benjamin Yamashita, Selectmen's Representative

CANAAN HISTORIC MUSEUM

This year we held special museum openings for the 4th grade students from the Canaan Elementary School, with twenty one students attending, and a special opening for Earth Day. Our regular Saturday openings started on May 30th and ran through September 5th. During the regular Saturday openings we had a total of sixty one visitors. On September 29th we had a special opening for Mr. and Mrs. Robert Coleman from Florida. The Colemans were in the area seeking information on past families. They returned to Florida, pleased to have found three of their past relatives in the Cobble Cemetery.

During the year two members of the Museum committee resigned; four new members were added. We are looking forward to making the museum more attractive, so that visitors will make repeat visits each summer.

The members of the Museum Committee are interested in forming or reviving a Canaan Historical Society to work with and be a part of the present Museum Committee. Anyone who is interested in being a part of the Canaan Historical Society, please contact any one of our Museum Committee members.

ADVANCE TRANSIT, INC.

Advance Transit, Inc. is a private nonprofit organization that provides public transportation services to the Upper Valley towns of Canaan, Enfield, Hanover, Lebanon and Lyme, New Hampshire, as well as Hartford, Norwich and Thetford, Vermont. Advance Transit is overseen by a Board of Directors comprised of representatives appointed by the towns served. The remaining at-large members come from the institutions and riders served by the system. Dick Pusey is currently serving as the Town of Canaan's appointed representative on the Advance Transit Board.

Advance Transit operates, as it has for the past several years, a system of fixed routes and schedules connecting the main centers of the towns served. Of the four routes in operation, Route 1 which connects the town centers of Canaan, Enfield, Lebanon and Hanover is the most productive. Most of the riders on this route use the bus to commute daily to and from work.

Advance Transit introduced a new ride share/ride match referral service late in the year. If you don't live near a bus route, but are looking at carpooling or vanpooling as a way of reducing your commuting expenses, call us at 448-2815 and we will enter your name in our database and help you look for a ride-share match.

Advance Transit's planned activities in 1993 consist of increasing its ridership, particularly to and from the Medical Center and Dartmouth College, the two largest employers in the region, and developing its new headquarters in Wilder, Vermont. The planned facility is being acquired with the assistance of grants from the Federal Transit Administration and will be well situated for providing service to Upper Valley communities. The project will save Advance Transit \$500,000 over fifteen years; money that can be better spent on providing service in the future.

Your continuing support is greatly appreciated. We look forward to serving you in 1993.

Respectfully submitted,
Van J. Chestnut
Executive Director

GRAFTON COUNTY SENIOR CITIZENS COUNCIL

Grafton County Senior Citizens Council, Inc. provides services to older residents in Canaan. These services include home delivered meals, a senior dining room program, transportation, adult day care, outreach and social work services, health screening and education, recreation, information and referral, as well as opportunities for older individuals to be of service to their communities through volunteering.

Any Canaan resident over the age of 60 or members of his/her family are eligible to use the services of GCSCC. Handicapped individuals under the age of 60 may also be served through these programs. Although there are no charges for the services, the Agency does request contributions toward the cost of services.

During 1992 two hundred eighty one older Canaan residents were served through GCSCC's programs. Two hundred and four individuals enjoyed dinners at the Mascoma Senior Center, or received hot meals delivered to their homes; thirty elders used transportation services on 1,303 occasions to travel to medical appointments, to grocery stores, to do personal errands, or to travel to the Senior Center. Seventy four Canaan volunteers contributed 5,733 hours of time, energy and talent to support the operation of the Agency's services. Nineteen others participated in recreational and educational programs or used our information and referral service; ninety five older people used the services of our social workers; two participated in our Adult Day Care program and received one hundred seventeen hours of care; two used the services of the health care screening or foot care. Services for Canaan residents were instrumental in supporting many of these individuals as they attempted to remain in their own homes and out of institutional care, despite physical frailties.

Working closely with other agencies providing services to older people in the community, our goals for the future include additional efforts to assist older Canaan residents and their families in taking advantage of available programs and services which will improve the quality of their lives and enable them to remain independent in their own community.

Through the years GCSCC has very much appreciated the support of the Canaan community for services which enhance the independence of the older residents of Canaan. This support is much more critical at a time of Federal and State funding constraints.

Carol W. Dustin, ASCW

GRAFTON COUNTY COMMISSIONERS' 1992 REPORT

Grafton County has continued to operate in a financially sound, cost effective manner. We are pleased that the \$13.5 million budget adopted in late June shows a modest 3.45% increase.

While the county property tax increased to \$6.1 million after two years of decreases, the average annual county tax increase since 1989 has been less than 3%. Under state law, \$3.5 million or 58% of the county tax dollars collected from Grafton County taxpayers in 1992 were sent to Concord to pay the county share of state assistance programs (Old Age Assistance, Aid to the Disabled, Medicaid Nursing Assistance, and Services for Children and Youth).

The Grafton County Nursing Home has continued to offer high quality medical, nursing, and support services to approximately 120 elderly and infirm residents while meeting the stricter federal Medicaid mandates imposed in 1991. The Special Needs Unit for individuals with Alzheimers Disease and similar illnesses, opened last year, has been especially well received by residents, families and staff. During 1993 the County plans to expand the unit from 11 to 32 beds.

The County Department of Corrections saw a 15% increase in inmates over the past year. Drug forfeiture funds from the Attorney General's office have enabled the department to increase and coordinate drug and alcohol abuse reduction programs with the goal of decreasing the number of repeat offenders.

Again during 1992 the County Farm generated a modest operating surplus, providing work opportunities for County Corrections inmates and supplying meat and vegetables for the Nursing Home and Jail. For the second year the Farm also produced potatoes for the local food pantries throughout the County.

The Commissioners, Sheriff and Assistant Sheriff implemented the second phase of a 3-year plan to ensure that subscribers pay the full cost of telephone answering services provided by the County Dispatch Center. The County also replaced the radio repeater on Cannon Mountain in order to upgrade law enforcement communications throughout Grafton County.

During 1992 the County distributed over \$78,836.00 in State Incentive Funds to local programs that prevent out-of-home placements of troubled children and youth. The County has also continued to provide Youth and Family mediation services available fee-of-charge in Lebanon, Littleton and Plymouth areas.

Looking ahead to the late 1990's and beyond, the Commissioners initiated Long Range Planning as part of the annual budget process. A committee of county officials has been charged with recommending plans for addressing the needs of the county and state offices now housed at the Courthouse.

The County sponsored a Community Development Block Grant for the AHEAD Agency in Littleton, a nonprofit housing development organization. Funds are being used to purchase and rehabilitate multifamily rental housing units for the benefit of low and moderate income households in the northern part of Grafton County.

During 1992 the Commissioners continued efforts to inform county residents about county government, encouraging tours of county facilities and holding information sessions for local officials and other groups.

The Grafton County Board of Commissioners hold regular weekly meetings on Tuesdays (note the change from Thursdays) at 9:00am at the Administration Building on Route 10 in North Haverhill. All meetings are open to the public and we encourage attendance by the public and the press. Please call the Commissioners Office at 787-6941 for further information, or to request a speaker or our slide show on County Government for school and civic groups.

In closing, we wish to express our sincere appreciation to local officials, agencies, and the public for cooperating in our efforts to serve the citizens of Grafton County.

Respectfully submitted,

GRAFTON COUNTY COMMISSIONERS:

Betty Jo Taffe, Chairman
Gerard J. Zeiller, Vice Chairman
Raymond S. Burton, Clerk

CANAAN F.A.S.T., INC.

1992 was a productive year for the Canaan Fast Squad. We added several new members to the squad: Mike Eastman, Wayne Findholt, Ed Miller and Betty Eastman. We now have 20 active squad members.

Looking at the number of man-hours involved in making actual ambulance runs, one should realize that the squad spent over 2500 hours in training during 1992. This included training on new material, equipment, and staying current with new methods in an effort to better serve the area communities.

We purchased several portable radios to increase communications with squad members and have changed the base radios along with the ambulance radios. Changes to both base and ambulance radios were due to repair problems. The radios were so old that parts could no longer be obtained for repairs.

We have also commenced building a fund to finance a new ambulance which will be necessary within the next few years. Current plans for the Canaan Fast Squad include more training, along with the Fire Department in Auto-extrication and training to keep those firefighters who have taken medical courses up to date. We also plan to train more extensively with the Grafton Squad, keeping both squads familiar with current methods in an effort to serve our communities more effectively.

HEADREST

24 HOUR HOTLINE (603) 448-4400

Headrest, the Upper Valley's 24-Hour Crisis Hotline and Information & Referral service, thanks the people of Canaan for their support. Now in our 23rd year of continuous operation, Headrest services Canaan residents in many ways:

24-Hour Hotline

In an emergency, someone is always available at Headrest to offer personal support and help to locate resources. Headrest's Hotline is certified by the American Association of Suicidology, and phone workers have special expertise in handling crises involving the use of alcohol or drugs. Hotline workers are trained to be understanding, listen carefully to the caller, and lend emotional support in a non-judgmental way.

Information & Referral

People can call Headrest whenever they have a question or problem and are not sure where to turn. Headrest's computerized Information & Referral service has information on local services, tenants' & consumers' rights, drugs & alcohol, legal assistance, counseling services, and support groups. We have also been designated by ACoRN to be a contact point for information on AIDS issues.

Shelter for the Homeless

Safe lodging is offered to homeless people referred to Headrest by local police, hospitals, churches, and mental health center. Also, supervised overnight lodging and follow up counseling is available for intoxicated persons with funding from the NH Office of Alcohol & Drug Abuse Prevention.

Alcohol & Drug Programs

Headrest offers information, educational presentations, plus individual, family and group counseling around substance abuse issues. Headrest is virtually the only free or low cost drug & alcohol counseling service in the Upper Valley. In 1991, Headrest also offered three different kinds of group counseling: a general group for alcohol and other drug abusers, two women's group, and a STOP group for men who batter.

Teenline

Headrest's Teenline has been operating since March, 1990. This 24-hour "talkline" for teens anywhere in Vermont or New Hampshire (1-800-639-6095) can be an important source of support for teens concerned about their own and others' drug & alcohol problems, who may be depressed or suicidal, victims of abuse, or who may just be in need of a caring listener. It is particularly effective in helping to reduce the isolation felt by young people in rural areas.

Note: Complete financial information and statistics are on file with the Town. In 1992, 80 Canaan residents called Headrest's

24-Hour Hotline a total of 154 times, including 5 suicide calls, 18 having to do with alcohol or other drugs, and 30 requests for counseling.

David Shumway, Director

LISTEN

LISTEN provides outreach services to residents of the Town of Canaan both directly and working in conjunction with the Canaan Town Welfare Director. Housing and Utility Assistance are provided through the advocacy of LISTEN staff in behalf of residents who are facing eviction or the threat of imminent danger of homelessness. Through the year, LISTEN received funds from the Federal Emergency Management Agency and the State of NH Homeless Program to prevent eviction through the payment of one month's rent or the placement of homeless households in housing by paying a first month's rent. Some of the funds are dependent on the matching of the grant by a Town Welfare Office or other source. The Federal Fuel Assistance Program is coordinated in terms of applications and implementation through LISTEN staff working the Tri-County CAP.

Food assistance is provided on a mass basis through the quarterly distribution of US Department of Agriculture food commodities directly in Canaan. These food products are available at the LISTEN office throughout the year. The LISTEN food pantry is available to Town residents all the time. Community Dinners are held in Lebanon on Tuesday and Thursday, and all are welcome. Recognizing that it is difficult for some residents to attend the dinners due to limitation of distance and transportation. LISTEN has applied for and received a grant to extent the dinner program to the Canaan-Enfield area.

Financial counseling for residents who are experiencing financial crisis is available at LISTEN. Assistance is provided in planning a budget, in knowing credit rights and in solving problems with creditors.

The Family Enrichment Program is available to residents who participate in the Big Brother/Big Sister program, the Holiday Basket program and the Camp Placement program.

VISITING NURSE ALLIANCE OF VERMONT AND NEW HAMPSHIRE
MASCOMA HOME HEALTH SERVICES

We are pleased to have the opportunity to report on the activities of Mascoma Home Health Services for 1992, our twenty-third year of providing home and community health care to the residents of your community and our first year as a branch of the Visiting Nurse Alliance of Vermont and New Hampshire.

As we reported last year Mascoma Home Health Services joined together with six other home care agencies so that we might serve the home care needs of our communities better. These services include skilled nursing, physical and occupational therapy, home health aide, homemaking and medical social services, and hospice care to the terminally ill. We are now able to make services available 24 hours a day, weekends and holidays included, and do offer a private duty program, Help at Home.

This has been a year of tremendous growth in the need and request for home care services. This has affected all of programs, especially home visiting. This year 4,562 home visits were made to residents of the town of Canaan. We are proud of our staff. Their experience, dedication and skill in caring for people in their homes have made it possible for us to meet this challenge.

The Family Health Services Program is available to young families in your community. This program includes a Well Child Clinic with an enrollment of 76 children from Canaan, and a Parent Aide Program. Home visits to children and families are made by nurses specializing in pediatric care and parent aides to help them care for themselves and their children in the most productive and positive way possible. This year, 44 families have received services in your community. The agency also conducts community screening clinics, flu clinics and other health programs such as blood pressure screenings and foot care clinics.

The Board of Trustees and the Incorporators Group, where your interests are represented by member of your town, the staff, and the people who are helped by our care, all thank you. We believe in the value of home and community health care and appreciate all that you do to support our efforts in your community.

Respectfully submitted,
Elizabeth J. Davis, RN, MPH
Chief Executive Officer

Kate Brooks-Laffan, President
Friends of Mascoma Home Health Services

CANAAN/ORANGE RECYCLING

Voluntary participation in recycling grew in 1992. In 1991 we collected one hundred tons of combined recyclable, and in 1992 we collected one hundred and twenty tons.

Combining the Transfer Station with the Recycling Station has made recycling easier. We can credit the professional efforts of Alan Hill, Gordon Butman and Rick Azotea for keeping the area clean and organized. Our thanks to Earl Charbono for coordinating the use of the Town truck. The many volunteers who "hung in there" during these start-up years (yes, we're in our third year) have shown that recycling can be an effective part of a waste management plan. Special thanks to Ray Estes, a volunteer of many hours.

We won a small State grant for recycling in 1992 and have applied for State funds for a composting project in 1993. A Summer Jobs Program involving High School students and supervisors may be available to us for maintenance projects at the Recycling Center.

In January 1993 the services of the Lebanon Landfill merged with the Hartford Recycling Center. This brings together many towns, including Canaan, into a comprehensive 40 year plan for trash, recyclable and hazardous materials. The plan specifically emphasizes recycling as the most cost effective means of dealing with residential waste. 1993 is a trial year for the Lebanon-Hartford merger. Its success depends on strong participation from all towns. Our town will benefit financially from this plan if we are able to increase the amount we recycle. The time to RECYCLE is now!

Gary Wood

UPPER VALLEY HOUSEHOLD HAZARDOUS WASTE COMMITTEE

For the last eight years the Upper Valley Household Hazardous Waste Committee has organized an annual household hazardous waste collection each spring, which has provided the residents of Upper Valley towns with the opportunity to dispose of their hazardous waste products in a safe and environmentally sound way. This collection program has met with increasing success and last year we collected 16 tons of toxic waste from 628 upper Valley households. The hazardous waste was transported for proper treatment and disposal by EPA licensed disposal services. In 1992 this program had an annual budget of over \$38,000 paid for by contributions from landfills, state grants, towns and private donors.

The Upper Household Hazardous Waste Committee is pleased that the newly formed New Hampshire/Vermont Bi-State Solid Waste Program has taken on the responsibility of regular collection and disposal of household hazardous waste, at a specially equipped hazardous waste facility at the Hartford Recycling Center. This new center will service the program's member towns, which includes nearly all the towns that the Upper Valley Household Waste Committee has traditionally served. Therefore, the Committee will no longer be responsible for collecting hazardous waste in the Upper Valley. Our committee, which is composed of volunteers from the Upper Valley towns and organizations, will now confine its activities to public education and information on hazardous waste issues.

The Upper Valley Household Hazardous Waste Committee encourages Upper Valley residents to reduce their use of hazardous products in their homes and gardens and to ensure that household hazardous wastes, such as oil based paints, batteries, pesticides and used motor oil are separated from regular trash and taken to the town's designated collection station or to the Hartford Recycling and Hazardous Waste Center.

Respectfully submitted,

Colin J. High, Chairman
Upper Valley Household Hazardous Waste Committee

HOSPICE OF THE UPPER VALLEY

Hospice of the Upper Valley, Inc. (HUV) is a voluntary, community-based human service organization which addresses issues of life-threatening illness, death and bereavement. Our emphasis is on caring; we encourage ourselves and others to attend to the wholeness of each person and to affirm as well as support one another - caregivers and clients alike - in the spirit of love. Services include: direct patient/family care; volunteer, professional and community education; patient/family advocacy; case management; and influence in the development of public policy. The work of volunteers in the delivery of patient/family care is the mainstay of Hospice.

Our major sources of income are from memorial gifts, individual donations, and town support we have received from Canaan in the past, and hope you will continue to support our services.

The care patients and families receive is overseen and guided by the Hospice Interdisciplinary Team, which included at least one representative from the following professions: Clergy, discharge planner, Hospice nurse, home health nurse, oncology nurse, physician, social worker, Hospice volunteer. In order to ensure comprehensive medical and case management services, Hospice participates in the Hospice Regional Network (with six area home health agencies and four other volunteer Hospice programs) to provide the Medicare Hospice Benefit.

For the first eleven months in 1992, Hospice served 330 patient/families in our various areas of service, of which 17 have been from Canaan.

In 1991, 125 patient/family units received Hospice nursing assessment and consultation, volunteer assistance with routine tasks or respite care in home, hospital, or nursing home. 141 families received support and guidance in their grief through our support groups for bereaved children and ongoing adult support groups. Another 50 people coping with issues related to death and dying received short-term counseling, and 125 received information or referral to other services. Hospice-trained AIDS buddies provided care to 11 people.

Hospice of the Upper Valley services are available free of charge in Upper Valley towns, including: Canaan, Dorchester, Enfield, Grafton, Hanover, Haverhill, Lebanon, Lyme, Orange, Orford, Piermont and Plainfield in New Hampshire.

Respectfully submitted,
Clinton G. Cooper
Executive Director

1992 REPORT OF THE UPPER VALLEY LAKE SUNAPEE COUNCIL

There are nine Regional Planning Commissions in New Hampshire and twelve in Vermont. Like the others, the Upper Valley Lake Sunapee Council is a private, non-profit corporation enabled by state legislation. Our organization consists of the following people:

Board of Directors: Each member town is entitled to at least two members on the Board of Directors. This Board is the Upper Valley Lake Sunapee Regional Planning Commission, and approves the annual work program and budget. This group meets three or four times per year.

Executive Committee: Most of the authority for overseeing day to day operations of UVLSRPC has been delegated to this Committee, made up of members of the Board of Directors. The Executive Committee meets monthly.

Staff: There are five full-time and four part-time staff members. The full-time staff includes four planners and a secretary/receptionist. The part-time staff include a bookkeeper, map/graphics person, and two planners.

What We Do: Overall, our duties fall into two categories:

1) Providing services to member Towns and, 2) Addressing Regional Issues.

Questions: We spend a lot of time on the telephone, at meetings, and in our office answering questions about planning issues, based on our cumulative experience and expertise.

Answers: We provide detailed answers to detailed questions. Examples include: reviewing an ordinance, providing a linkage to a state or federal program, reviewing a proposed development project, explaining how a certain aspect of planning usually works, investigating what is appropriate in a given situation, exploring alternative solutions for a particular problem.

Information: In addition to staff expertise, we maintain a library of pertinent planning information. We are a US Census data affiliate.

In Depth Support: We do transportation planning, master plans, ordinances, natural resource planning, capital improvement programs, impact fee studies, opinion surveys, impact studies for large projects, and other special studies of many sorts. A number of towns also take advantage of our circuit rider planning program. Usually, we must charge in addition to dues for support in depth, to meet our expenses and to break even. This type of support is available only to member communities. We do not do any work for private companies or individuals. These services are available at far less cost than comparable expertise from a private consulting firm.

Regional Issues: We also provide a forum for regional issues.

Currently we are working regionally on transportation planning, economic development, solid waste, energy, and studies related to Lake Sunapee and the Connecticut River. We are almost always able to support these efforts with state funds and/or special grants.

Additional Areas of Special Expertise:

Transportation Planning - Regional transportation planning is at the top of the list of regional concerns and priorities. We prepared a Regional Transportation Plan during 1992. We are working with member towns, the New Hampshire Department of Transportation, and the Vermont Agency of Transportation to assure that local and regional concerns are heard and addressed.

GIS-Geographical Information Systems - We work with a number of member towns to provide maps and analyses for Master Plans, utilities, and special land evaluation studies.

Environmental Planning - Includes solid waste and water quality planning.

Land Preservation - Support and cooperation with land preservation efforts.

UVLSRPC Activities During 1992

We changed our name from Council to Regional Planning Commission, to help clarify who we are and what we do.

Provided consultation and help to over two-thirds of member communities. (Which two-thirds this is varies - not all communities request help every year.

Met repeatedly with state officials and agency representatives to influence policy and help keep the region an active participant in many ongoing programs. This included activity with transportation, solid waste, economic development, and environmental regulatory agencies in both New Hampshire and Vermont.

Used the Geographical Information System (GIS) to perform mapping and analyses for a number of member towns.

Assisted the Upper Valley Solid Waste District (on the New Hampshire side) in dealing with solid waste issues. Provided general staff support for the district.

Helped facilitate a bi-state cooperative solid waste disposal agreement between Lebanon, Hartford and surrounding towns. This agreement is being reviewed by affected towns. Continued to provide administrative support for the Upper Valley Hazardous Waste Collection program.

Administered several Community Development Block Grants. These grants brought several million dollars of rehabilitation into the region between 1985 and 1992.

Maintained a library of regional data, and answered numerous requests for information.

Sponsored local sessions of the NH Municipal Law Lecture series.

Used the Regional transportation coordinating Committee to develop regional policies and recommendations for the Regional Transportation Plan.

Provided technical assistance to Advance Transit.

Sponsored local planning board training sessions in both New Hampshire and Vermont.

Continued working with the communities around Lake Sunapee to develop a watershed management study.

Worked closely with the Upper Valley Land Trust, Society For The Protection of New Hampshire Forests, and the Trust For New Hampshire Lands to protect open space and conserve important parcels of land.

Continued to participate in and work with the Connecticut River Valley Resource Commission. This commission allows New Hampshire towns in the Connecticut River Valley to join together in addressing issues such as growth, development, and preservation of the natural environment. We coordinated a joint inventory of river related features among the Vermont Regional Planning Commissions bordering the river.

The Upper Valley Lake Sunapee Regional Planning Commission also provides specific services to communities on a contract basis. During 1992, as requested by member communities we conducted impact studies regarding proposed development, provided assistance with Master Plans, worked on amendments/updates to local ordinances and regulations, drafted new ordinances, supplied regularly scheduled "circuit rider" planning services, and provided general mapping, drafting, and other technical assistance.

The Upper Valley Lake Sunapee Regional Planning Commission looks forward to serving your community during the coming year. Please feel free to contact us for more information about specific activities in your community, or whenever we can be of assistance.

REPORT OF TOWN MEETING, 1992

The Annual Town Meeting was called to order by Moderator Daniel Fleetham at the Canaan Fire Station on Tuesday, 10 March 1992, at 10:00am. The moderator read Town Warrant Articles 1 and 2. The polls were declared open at 10:06am for the purpose of voting by ballots for town officers and Article 2 and for school district officials.

Supervisors of the checklist, Stacia Ballou and Carole Cushman took their positions, Debra Price, sworn in by the Town Clerk worked at the check-in desk, Gloria Koch was ballot clerk, and Selectman Benjamin Yamashita was gate-keeper.

The absentee ballots, posted as to voter prior to the meeting, were cast at 3:30pm by the moderator.

The polls were closed at 7:00pm and the meeting was adjourned until 14 March 1992 at the Canaan Elementary School to take up Articles 3 through 21.

(1526 registered voters on the checklist

Total Town of Canaan ballots cast - 827 of which 23 were by absentee vote 54% turnout)

Grafton County, s.s.

Town of Canaan

Town meeting adjourned from 10 March 1992 to 14 March 1992

Moderator Daniel W. Fleetham reconvened the 1992 Annual Town Meeting at 1:00pm on 14 March 1992 at the Canaan Elementary School gymnasium to take up Articles 3 through 21.

The moderator presented the rules for running the meeting: 1) no smoking, 2) only legally registered voters from Canaan may exercise their voting rights (the moderator had all non-voters stand to identify themselves), 3) a person must be recognized by the chair prior to his speaking and then he should direct all comments through the chair, 4) all discussion must be germane to the article on the floor, 5) all amendments must be

in writing and only one may be on the floor at a time, 6) all makers of motions and all those who second such should stand and also give their names, and, further, 7) the right to speak as well as the right to be heard will be respected. Also, the moderator instructed the voters that, prior to a vote taking place, five or more voters could present a written request for a ballot vote and that, in the case of a disagreement with a voice call by the moderator, seven or more voters could present a written request for a secret yes/no vote before the next article is taken up. Last, a negative motion will not be accepted by the moderator.

Next the moderator read the results of town officer selection and Article 2 from 10 March 1992.

Benjamin Yamashita made a motion to waive the reading of Articles 3 through 21, and Milton Wilson seconded the motion. By voice vote, the motion to waive the warrant reading was accepted.

ARTICLE 3: To see if the Town will vote to raise and appropriate the sum of Five Hundred Thousand Dollars (\$500,000.00) for the reconstruction/and renovation of the existing town office building; such sum to be raised through the issuance of bonds and notes under and in compliance with the Municipal Finance Act, RSA 33:1, et seq, as amended; to authorized the Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may be available for said project and to comply with all laws applicable thereto; to authorize the Selectmen to issue, negotiate, sell and deliver said bonds and notes and to determine the rate of interest thereon and the maturity and other terms thereof; to authorize the Selectmen to take any other action or to pass any other vote relative thereto. (Two-thirds ballot vote required; polls to remain open for at least one hour). (Budget Committee Recommends)

Benjamin Yamashita made a motion to accept Article 3 as read; Judith Kushner seconded the motion. A short presentation was given by Ben Yamashita and much discussion on the pros and cons followed. After a motion to move the question was made by Vern Hines and seconded by Peter Stark and agreed to by the voters, the moderator, at 1:25pm, opened the polls for voting on Article 3. After half an hour to allow those present to vote, the moderator, while keeping the polls open, decided to continue with action on the warrant articles.

- ARTICLE 4: To see if the Town will vote to authorize the Selectmen, until directed to the contrary at a subsequent meeting, to appoint the Road Agent commencing with the 1993 Annual Town Meeting.
A motion to accept Article 4 as read was made by Milton Wilson and seconded by Ben Yamashita.
By voice vote, Article 4 was defeated.
- ARTICLE 5: To see if the Town will vote to have the Road Agent elected for a term of three years. (RSA 231:62-a)
A motion to accept Article 5 as read was made by Milton Wilson and seconded by Ernest Griesbach.
Article 5 was passed by voice vote.
- ARTICLE 6: (Petition Article) To see if the Town will vote to place the position of Road Agent onto the progressive pay scale adopted by the Selectmen and Budget Committee for all permanent town employees and place Earl Charbono (if re-elected) onto the third step of that pay scale which will bring his salary to \$27,497.00. (Budget Committee Does Not Recommend)
Robert Sullivan made a motion to accept Article 6 as given; Carl Sanborn did the seconding. After much discussion, Douglas Belloir made a motion to move the question, and Vern Hines seconded it.
By hand vote of 82 Yes and 101 No, Article 6 was declared defeated by the moderator.
- ARTICLE 3: At 2:35pm, Moderator Fleetham closed the polls for voting on Article 3.
The total number of votes cast was 235. Yes 73 and No 162. Article 3 was defeated.
- ARTICLE 7: (Petition Article) To see if the Town will vote to reinstate the policy to pay the Road Agent overtime for emergency call-outs such as snow storms, ice storms, wind storms, etc. This was the normal practice which was done with the previous Road Agent as voted by the Board of Selectmen on March 15, 1988. This policy will take effect on 1/1/92.
(Budget Committee Does Not Recommend)
Robert Sullivan made a motion to accept Article 7 as read; Carl Sanborn seconded the motion.
Amendment: Put a cap of \$497 on the overtime pay. The amendment was made by Ernest Griesbach and seconded by Leonard Reitsma.
By voice vote the amendment was defeated. The original article was then voted on by ayes and nays and was defeated.

- ARTICLE 8: To see if the Town will vote to authorize the Selectmen to apply for, accept, and expend, without further action by Town meeting, money from the State, Federal or other governmental units or a private source which may become available during the ensuing year, in accordance with RSA 31:95-b. A motion to accept Article 8 as read was made by William Tansey and seconded by Theresa Fleetham. By voice vote, Article 8 was voted in the affirmative.
- ARTICLE 9: To see if the Town of Canaan will authorize the prepayment of property taxes due the town to the Tax Collector as provided in RSA 80:52-A. A motion to accept Article 9 as read was made by Peter Stark and seconded by David McAlister. Article 9 was voted in the affirmative by voice vote.
- ARTICLE 10: To see if the Town will authorize the Selectmen to dispose of tax deeded property to the highest bidder of a properly advertised public auction, except that the Selectmen may reconvey residential properties still occupied by the previous owner, to that owner, on such terms and conditions as the Selectmen deem just. In no event shall the total considerations be less than the unpaid taxes, plus interest and costs, and any other related expenses that the Town has incurred. Howard Sakolsky made a motion to accept Article 10 as read, and William Tansey seconded it. By voice vote, Article 10 was passed.
- ARTICLE 11: To see if the Town will vote to authorize the Selectmen to accept gifts in the name of the Town of Canaan. RSA 31:19 A motion to accept Article 11 as read was made by Carl Sanborn and seconded by William Tansey. Article 11 was approved by voice vote.
- ARTICLE 12: To see if the Town will vote to authorize the Selectmen to borrow such sums of money in anticipation of taxes as may be needed to meet the necessary running expenses of the Town. William Tansey, with Carl Sanborn seconding, made a motion to accept Article 12 as read. Article 12 was voted in the affirmative by voice.
- ARTICLE 13: To see if the Town will vote to direct the Board of Selectmen to institute semi-annual collection of property taxes in a manner set out in RSA 76:15-b. Implementation of this Article to take

effect in 1992. (Budget Committee Recommends)

A motion to accept Article 13 as read was made by Benjamin Yamashita and seconded by Paul Modern.

Amendment: (proposed change only to starting year of semi-annual collection) ...Implementation of this article to take place in 1993.

The amendment was made by Nancy Loomis and seconded by Mary Dulmage.

By hand vote of Yes 101 to No 84, the amendment was passed.

Article 13 as amended was then passed by hand vote of Yes 108 and No 102.

Next, a paper request (with eight signatures) for a reconsideration of that vote was presented to the moderator. When the moderator queried the voters for a method for the new vote, a hand count versus a paper ballot won by a hand vote of 124 to 52.

Article 13 as amended was recounted with a hand vote of Yes 115 to No 106 and was approved by the voters.

ARTICLE 14: To see if the Town will authorize the withdrawal of up to \$27,000.00 from the Capital Reserve Fund for the purchase a roller for the Highway Department. (Budget Committee Recommends)

A motion to accept Article 14 as read was made by Milton Wilson and seconded by David McAlister.

Article 14 was passed in the affirmative by voice vote.

ARTICLE 15: (Petition Article) To see if the Town will vote to raise and appropriate the sum of Thirty Five Thousand Dollars (\$35,000.00) to purchase a one ton dump truck with front plow and wing plow. (Budget Committee Does Not Recommend)

A motion to accept Article 15 as read was made by Robert Sullivan and seconded by Leonard Reitsma.

By voice vote, Article 15 was voted in the negative.

ARTICLE 16: (Petition Article) To see if the Town will vote to raise and appropriate the sum of Twenty Five Thousand Dollars (\$25,000.00) to purchase asphalt to be used for shimming by the Highway Department. (Budget Committee Does Not Recommend)

Vern Hines made a motion to accept Article 16 as read; the motion was seconded by Carl Sanborn.

By voice vote, Article 16 was defeated.

ARTICLE 17: To see if the Town of Canaan will vote to raise and appropriate \$19,500.00 to purchase and equip a 1992 police cruiser, and to authorize a withdrawal

of this amount from Capital Reserve for this purchase. Any surplus funds are to be returned to the Fund. (Budget Committee Recommends)

A motion to accept Article 17 as read was made by Jonathan Putnam and seconded by Kevin Copp.

By hand vote, Article 17 was passed: yes 106 and no 87.

ARTICLE 18: To see if the Town will vote to amend the vote of Article 6 of the 1985 Town Meeting and determine that the Library Trustees shall consist of five persons elected to serve three year staggered terms. RSA 202-A:6.

A motion to accept Article 18 as read was made by Benjamin Yamashita and seconded by Mary Dulmage.

By voice vote, Article 18 was passed in the affirmative.

ARTICLE 19: To see if the Town will vote to raise and appropriate the sum of \$1,582,489.00 to defray Town charges during the ensuing year as submitted by the Budget Committee and that this represents the total amount voted including money raised in preceding special articles. (Budget Committee Recommends)

Benjamin Yamashita made a motion to accept Article 19 as read; David McAlister seconded that motion.

Amendment: To see if the Town will vote to raise and appropriate the sum of \$1,628,989.00 to defray Town charges during the ensuing year as submitted by the Budget Committee and that this represents the total amount voted including money raised on preceding special articles.

The amendment was made by Milton Wilson and seconded by Cathy Cobbin.

By voice vote, the amendment was defeated.

Amendment: (propose amount change) \$1,610,989.00

The amendment was made by Brenda Souza and seconded by Gary Wood. In speaking, the amendment maker explained that the amount included appropriations made in Articles 14 and 17 but only allowed a 3% or less increase in salaries. Brenda Souza asked for a commitment from the Selectmen in that they would follow the will of the voters; both Milton Wilson and Benjamin Yamashita agreed to do so (a 'politically' binding agreement, in the words of Town Attorney Bates).

By voice vote, the amendment was defeated.

In voting on the original article, by voice vote, Article 19 was then defeated.

After lengthy voter deliberation, a motion to

reconsider was made by Koby VanBeest and seconded by Brenda Souza. The moderator asked for a voice vote on whether the voters wished to reconsider Article 19; by voice vote, it was decided to do that.

Amendment: (propose amount change and offer a consideration on salary increases) \$1,608,489.00 and to cap salary increases at 3%

The amendment was made by Koby VanBeest and seconded by James Mitchell.

The amendment was passed by voice vote.

Article 19 as amended was voted in the affirmative by voice vote.

ARTICLE 20: To hear the reports of Agents, Auditors, Committees, or any other Officers and to pass any vote relating thereto.

Benjamin Yamashita made a motion to accept the Town Report as published with one correction noted; substitute the 1990 auditor's report (available as a hand-out during the meeting) for the 1989 one printed. Leonard Reitsma seconded the motion.

Article 20 was approved by the voters by voice.

ARTICLE 21: To transact any other business that may be legally brought before this Town Meeting.

Milton Wilson made a motion that the following be appointed as weighers of hay and straw, measures of wood and bark, fence viewers and surveyors of lumber: Charles E. Neily, John Ricard, Roger Remacle, Sr., Edward Lary and David Scanlan. Further, he asked the Town to appoint Donna Dunkerton, Town Historian and asked that she be publicly thanked for bringing Canaan History into our schools and newspapers.

The voters agreed with the motion that was seconded by Benjamin Yamashita and it was declared passed by the moderator.

A motion to adjourn the meeting was made by Robert Sullivan and seconded by Brenda Souza; the motion was voted in the affirmative by voice vote, and Moderator Daniel Fleetham declared the Annual Town Meeting adjourned at 5:50pm.

A true record, attest:

Town Clerk

14 March 1992

CANAAN SPECIAL TOWN MEETING

The Special Town Meeting was called to order by Moderator Daniel Fleetham at the Canaan Elementary School on Tuesday, July 14, 1992 at 7:30pm to take up Article 1.

The moderator presented the following rules for the running of the meeting: 1) no smoking, 2) only legally registered voters from Canaan may exercise their voting rights, 3) a person must be recognized by the chair prior to his speaking and then he must direct all comments through the chair, 4) all discussion must be germane to the article on the floor, 5) all amendments must be in writing and only one may be on the floor at a time, 6) all makers of motions and all those who second such should stand and also give their names, and 7) the right to speak as well as the right to be heard will be respected.

Next, the moderator introduced the new Town Clerk, Cindy Dorward.

Next, the moderator read Article 1:

Article 1: To see what action the Town will take on the following petitioned article:

"We the undersigned registered voters in the Town of Canaan, New Hampshire request a special Town meeting pursuant to RSA 32. We request this special meeting to bring the salaries of all Town employees to three percent as voted at the Annual Town Meeting."

Martha Chesley made a motion that the Selectmen will bring the raises back to 3% for all Town employees as promised at the Town Meeting, per employee. Cathy Cobbin seconded.

After much discussion, Philip Cobbin made a motion to close the debate and have a paper ballot to vote. David McAlister seconded the motion. The moderator called the motion to cease.

One vote No Aye won

The results of the paper ballots were: (104 ballots were drawn)

55 - Yes 48 - No
1 - spoiled

The moderator declared that Article 1 passed and then adjourned the meeting at 9:12pm.

A true record, attest:
